Re: Volunteer Injury Insurance

Date: October 2026

The New Brunswick Federation of Snowmobile Clubs is pleased to announce that we have been able to secure a volunteer injury insurance policy. Below you will find details of the Policy and an Injury Report Form that will need to be sent back to us in the event of a claim.

What This Coverage Is

Weekly Accident Indemnity is a short-term, accident-only income replacement benefit under the client's Accident & Health policy. It responds when an insured person is injured during a policyholder-sanctioned activity and is certified Totally Disabled by a physician. This benefit is designed to supplement Workers' Compensation, Employment Insurance (EI), or other disability programs — not replace them.

Coverage Limits & Benefits

Waiting Period	**7 consecutive days (benefits payable from Day 8)**
Weekly Benefit Amount	66.7% of regular gross weekly income
Minimum / Maximum	$100 minimum / $250 maximum per week
Maximum Benefit Period	26 weeks (accidental bodily injury)
Soft-Tissue Injury Limit	6 weeks per medical condition
All-Source Income Cap	85% of weekly earnings
Tax Status	Non-taxable when premiums are paid by the policyholder
Termination	Return to work, exhaustion of limits, retirement or age 65

Practical Claim Example

A volunteer is injured during a policyholder-sanctioned fundraising event and is unable to work at their regular job. After the 7-day waiting period, the policy pays 66.7% of weekly earnings, up to $250 per week, until the individual returns to work or the benefit period is exhausted. This benefit helps bridge income gaps where Workers' Compensation may not apply and EI alone may be delayed or insufficient.

Re: Provincial Maps 2027

Dear Clubs,
Please remember that accuracy is always and continues to be very important and these changes are collected all year long and reflect in September's annual Map. Changes annually need to be submitted to me no later than July 1st. Local trail location changes can be defined by club, but provincial trail location changes must be approved by SMNB Board of Directors.

The map allowance per club is based on the club survey question "how many provincial maps needed". This helps both Lisa and I annually calculate the amount of maps we should order along with a few other factors that play a role in the count.

Besides the SMNB Clubs, Provincial Trail Maps are also distributed by the SMNB Office to the following locations:

1) All Service New Brunswick outlets in the Province
2) All Snowmobile Dealerships in the Province
3) All SMNB Corporate Partners
4) Annual Snowmobile Shows in Ontario, Quebec & Maine.

We trust that you will find these maps helpful, please have a look at them from a Tourist's perspective and consider if there are any changes that would make their trip planning easier. Remember to submit any changes to me before July 1, 2027 in order for them to be reflected on the 2028 edition, I welcome your input.

Regards,
Kyle Good - Trail Manager, SMNB
