Zone 4 Director: Zarla Gorton

Zone 5 Director: Don Basque

Zone 6 Director: Andre Melanson

Zone 7 Director: Rick Sullivan

Zone 8 Director, Vice President: Kevin Williams

Executive Director: Ralph McBride

Trail Manager: Kyle Good

Absent: Zone 1 Director: Bob Healey, Zone 3 Director : Rene Benoit

1	Call to Order at 1908 by Andre Yoston	
2	ASK from Goshen: *Motion was made by Kevin Williams, Seconded by Don to allow Goshen Snowmobile Club to sell their 1990 Tucker and move their 1994 John Deere Groomer to the spare list of groomers, which is not eligible for funding for a second time.* Discussion: This will allow Goshen to have a spot on the funding list for their 3rd groomer, once they have funds to purchase one. *-All in agreement, motion passed.*	
3	There is federal grant money coming up that SMNB has applied for. They have applied for $2.178 million for grading and brushing of trails. The funding number was decided as a certain dollar amount is available per km of trail that is managed by each Club. It is considered a "40 cent dollar" meaning that for each dollar the Club spends, they get 40 cents back from the government. The funds will be administered through CCSO and there may be additional money kicked in from SMNB and CCSO. The details are not 100% clear yet but Ralph is getting more information from the government official he is dealing with for the project, which is	

	part of the Building Community Stronger Fund. More details to come, this is just initial information only.	

Meeting adjourned at 1940
