

Something New Is Coming to Snowmobile Motoneige NB!

We're thrilled to announce that **big changes** are coming to our Facebook page for the **2025/2026 snowmobile season!** We've teamed up with **Outreach Productions** to give our profile a fresh new look and make it more engaging and enjoyable for all our followers.

 **Our first feature?** A series of reels introducing **who we are** and **what we offer** to sledders across New Brunswick. Whether you're a seasoned rider or just discovering the thrill of snowmobiling, you'll get a glimpse into the heart of our community.

 **What's next?** We'll be rolling out exciting content including:

- **Hidden gem trails** and unique experiences off the beaten path.
- **Cozy accommodations** across the province, each with that warm Maritime hospitality.
- **Corporate partnerships** that help keep our organization strong and sustainable.
- A spotlight on our **Board of Directors**, the dedicated team driving our mission forward.

Stay tuned, share with your sledding buddies, and get ready for a season full of adventure, connection, and community. Let's sled into the future together!
